

NLA Vision Statement

NLA will invite and encourage staff working in all types of libraries and interested library supporters throughout the state to become members for the purpose of promoting libraries, increasing understanding of library issues, and providing opportunities for professional development.

NLA will raise awareness of library issues both within the library community and to legislators and other relevant parties in the general population.

Something For Everyone at NLA...

Who We Are

The Nevada Library Association was formed in 1946 to act as a clearing house for library information in the state as well as a forum for presenting new ideas. The organization also acts to broaden the scope of library service and to call attention to the work of Nevada libraries.

West Charleston Library, Las Vegas-Clark County Library District

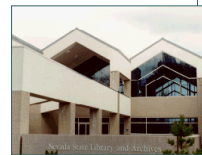

NLA hosts an annual conference each fall that includes key-note speakers, workshops, and forums promoting continuing education, networking, and professional support.

NLA focuses on library news and issues through updates at our website, nevadalibraries.org, and our quarterly newsletter, *Nevada Libraries*.

Membership & Benefits
